24 November 2003

Sir:

Applicant respectfully requests that a corrected (or supplementary) Office

Action be mailed to replace the defective Action dated 6 November 2003, and that the period for response be restarted as of the mailing date of the corrected Action.

Applicant's undersigned representative received an Office Action with a USPTO mailing date of 6 November 2003 Action and three (3) references, all of which are used in finally rejecting the claims. However, while the 3 references are newly-cited in the application, no Form PTO-892 was attached to the 6 November Action. Therefore, Applicant is unable to ascertain if the 3 references enclosed with the Action are the only new citations in the case, or if other art was cited as well.

In accordance with 37 CFR §1.104 and MPEP §707.05, Applicant respectfully requests a corrected (or supplementary) Office Action be mailed including a Form PTO-892 which lists all of the references newly-cited in the application by the Office.

KOIKE *et al.*, SN 10/022,331

566.41012X00/HY172701

In accordance with MPEP §710.06, this Request is being submitted within one (1) month of the mailing date of the defective Action, and is therefore timely, so Applicant respectfully submits that the request for restart of the period for response is appropriate, and that such restart is established as of the mailing date of any replacement or supplementary corrected Action.

No Petition or fee is required for entry and approval of this Request.

Respectfully submitted,
